SLS Work Group Out-Brief
Issues – Group C

- **Public Education** – Lack of a national public education strategy that addresses the threat risk and vulnerabilities to an IND in an environment of multiple sources of information (media, internet, social media, etc.).

- **Impacted Area/Actions** – Lack of local/State/Federal planning initiatives that integrates/coordinates effects to identify the impacted area and implement multi-jurisdictional response and public awareness information.

- **Organizational Constructs** – Existing assets capable and resourced to respond to an IND event should be integrated into local/state All-Hazard Planning/training/exercises.
